

UTILITY NETWORK & PARTNERS INC. POSITION POSTING

Position Title: Web Page Developer
Position Status: Full-time
Location: 1316, 9th Avenue SE, Calgary, Alberta, T2G 0T3
Closing Date: Open until filled, applications encouraged by August 31, 2021

Utility Network & Partners, Inc. (UTILITYnet) is looking for a Web Page Developer to join our team on a full-time basis. The successful candidate will design, write, modify, integrate and test front-end code. This position is meant for a motivated developer, who has strong attention to detail and strives for customer satisfaction. Our applications create enrollment, billing, settlement, and reporting for electricity, natural gas and Internet services.

RESPONSIBILITIES

- Develop attractive and highly useable web applications with a focus on performance, security, and scalability
- Work with business and system teams to define, develop, test, and deploy solutions
- Collaborate with the team to continuously improve our best practices
- Strive to create visually appealing sites that feature user-friendly design and clear navigation
- Perform regular maintenance on existing websites, including installing and testing updates
- Diagnose and troubleshoot problems with web pages.

REQUIREMENTS / QUALIFICATIONS

- Experience in development with hand coding advanced HTML, CSS, HTML5, CSS3, and JavaScript
- Strong knowledge of UX/UI principles and design
- Experience developing responsive websites, web applications (mobile, tablet)
- Strong written and oral communication skills in English
- Ability to work with cross-functional and cross-office teams
- Understanding of graphic design principles
- Web development experience and portfolio

SKILLS

- Proficiency in Semantic HTML Markup
- Adherence to programming best practices
- Excellent organizational and self-management skills
- Strong attention to detail, critical thinking and problem-solving skills
- Focus on making continual improvements to our processes, tools and development lifecycle
- Experience with version control systems in a collaborative development environment

ABOUT US

In joining Utility Network & Partners, Inc. (UTILITYnet), you will become part of Alberta's most dynamic utility retailing network of companies. We make sure our customers stay informed and in touch with changes in Alberta's volatile electricity and natural gas deregulated marketplace. We are passionate about being first to deliver new innovation in product offerings, automated billing services, lower prices, and the highest level of customer care.

When compared to the incumbent utilities, we are different. Apply now for a career like never before and become part of a changing deregulated utility marketplace.

TO APPLY

Interested applicants should submit their resume and cover letter (including salary expectations) in PDF format to HR@UTILITYnet.net, quoting "Web Developer."

Utility Network & Partners Inc. is committed to employment equity, welcomes diversity in the workplace and encourages applications from all qualified individuals. We thank all interested applicants; however, only applicants selected for an interview will be contacted.
